

Several WCV residents combined their love of the outdoors with their skills to create a nature trail on campus. The charming "Woodcrest Villa Nature Trail" is a half-mile long. Lew Kauffman, Dave Fatora and Jim McCoy (pictured on cover) were the key forces behind this enjoyable addition. They were joined by other residents to extend the trail. The route is surrounded by nature's beauty and it is protected with wood chips. The trail is completely walkable. Emergency Locator Areas A to L are marked on map. **In Emergency call 717-390-4100 for Security.**
